

# NEW COUNCIL MEMBER

My name is Sherry Ann Johnson and I live at 4619 Park Boulevard. I am married and have one four year old son with another child due the first of February.

Just recently I was hired to the position of Secretary to the Highland Park Information Center. Also, I have become a Council member acting as Volunteer Coordinator for the Association.

I have a very genuine interest and concern for Highland Park. There are many changes occurring at the present in and around the community. My hope is to see the neighborhood affected as little as possible by these changes and kept as a place people can enjoy and be proud to live in.

## Sympathy

The Highland Park Neighborhood Association wishes to express its deepest sympathy to the family and friends of the residents and former residents of Highland Park who have recently died.

## Library News

The month of July at the Highland Park Branch of the Free Public Library has been devoted to the Summer Reading Program. Many children have read at least ten books and received their prizes.

In conjunction with the Reading Program, several activities have been held. There was a contest to guess how many Izar eyes were in the jar. The winner was Gretta Heil with a correct guess of 5,270. In second place was Leslie O'Dell with a guess of 5,290.

On Thursday, July 7, Izar from the Planet Daer paid a visit to the library. He is quite a character. Tuesday, July 12, was the day the Happy Hollow Puppets came to present a show. The show was "How the Elephant Got It's Trunk". It was directed by Madge Chescheir and the Associate Director was Chuck Semple.

What is currently happening at the Highland Park Library? A Fourth of July signature contest is in progress. This was made by Susie and Terry Rager. Also on Tuesday, August 9, the Summer-scene Fitness Mobile will be there at 3:00 P.M. There are always lots of books to read.

Come in and check things out soon!!

# New Members

The Highland Park Neighborhood Association held its annual meeting to elect new Council members on July 11. The Association also presented certificates to various people who had been helpful in making Highland Park a better place to live.

Certificates went to:  
 Prudence Moffett, executive director of South Louisville Community Ministries  
 Herschel Perkins, team leader for Project WARM  
 Ida Mae Cox, Highland Park Community Center worker for senior citizens  
 Charles Dunlap, Airport Authority of Louisville and Jefferson County in charge of purchasing properties for airport expansion  
 George Ockerhausen, principal of James Russell Lowell Elementary School  
 Pat Byrd, president of Lowell School PTA  
 Paul Clark, State Representative from the 37th Legislative District  
 Cyril Allgeier, 4th Ward Alderman  
 Dr. Harvey Sloane, Mayor of the City of Louisville (unable to attend)

The Mayor's office sent certificates to each Council member to honor the job done for the past year.

The Council had three members who were unable to continue in their capacity with the Neighborhood Association and did not run for re-election. There were also positions open due to resignations during the year and terms which were expiring.

Those Council members re-elected were: Cynthia Hasch, Jim Price, Iris Bratcher and Bill Gatton.

Four new members were elected to the Council. They were: Ralph Solomon, Juanita Smith, Becky Thompson and Sherry Johnson.

The following Saturday, the Council met to elect officers and to fill volunteer positions.

Cynthia Hasch was re-elected president of the Council, Becky Thompson was elected vice-president, Juanita Smith was elected secretary and Jim Price was re-elected treasurer.

Other positions filled with volunteers from the Council and other volunteers were:  
 Nancy Price, editor of The Reporter  
 Ralph Solomon, Reporter distributor  
 Janet Hasch, Reporter ads and business memberships  
 Becky Thompson, historian  
 Sherry Johnson, volunteer coordinator  
 Herschel Perkins, Project WARM coordinator  
 Juanita Smith, public relations coordinator  
 Bertie Eldridge, telephone organizer  
 Bill Gatton, neighborhood beautification coordinator and meeting & office maintenance  
 Jim Price, tool librarian  
 Nancy Price, membership coordinator

The Neighborhood Association is still in need of a few volunteers to fill the following positions:

- Activities Coordinator (fund-raising)
- Public Agency Monitor (attend meetings of Air Board, Fair Board, Dept. of Transportation)
- Public Service Monitor (fire and police depts)
- Community Resources Liaison (report on activities at Lowell School, Community Center, Churches, Block Watch Programs, Senior Citizens Groups)
- LINC Representative (attend monthly meetings of Louisville Inter-Neighborhood Coalition)

The Neighborhood Association Council is prepared to train any volunteers who think they would like to join in. If you feel you should be doing more for your own neighborhood, please contact Sherry Johnson at the Information Office. The titles listed above may sound as if they require highly-educated and distinguished people to do them. However, they are just titles -- it only takes someone willing to try.

During the month of July, several households have shown their support of their community by joining the Highland Park Neighborhood Association. The new members are:

Michael Wilcher  
 Wilma T. Moffett  
 Oscar Allen  
 Juanita Smith  
 Ida Mae Cox  
 Highland Park Christian Church  
 Claudia Beck  
 Betty Sue Murphy  
 Jerry & Wanda Murphy

Have you seen your name in "The Reporter" yet? Do you support your neighborhood? With the recent budget cuts, we need your support more than ever. We need you in order to continue to serve through the Information Center and to continue to publish "The Reporter."

Remember, you \$5.00 membership dues also entitles you to the use of the tools in the Tool Library such as lawnmowers, weedwackers, ladders, etc.

Why don't you stop by the Highland Park Information Center at 4447 Park Boulevard and meet Sherry Johnson or Pat Randolph today and join the Highland Park Neighborhood Association.

## Help Us Save Lives

This is a special report from Jewish Hospital in Louisville, Kentucky. One of every two Americans will be involved in an alcohol-related crash in their lifetime. Last July, we started SKYCARE, Kentucky's first helicopter ambulance service. Help us celebrate one year of SkyCaring by keeping SKYCARE grounded this summer. Let's work together to STOP drunk driving.
