Has your name appeared in "The Reporter" yet? Do you support your neighborhood? With the recent budget cuts, we need your support and talents more than ever. We need you to maintain our political and social clout, to serve you through the Information Center and continue to publish "The Reporter."

This year, your \$5.00 membership dues also entitles you to use of the tools in the Tool Library.

Why don't you stop by the Highland Park Information Center at 4447 Park Boulevard and talk to Pat Randolph today and join the Highland Park Neighborhood Association. Also come to the Annual meeting July 11 to see what we are doing and join then.

Sympathy

The Highland Park Neighborhood Association wishes to express its deepest sympathy to the family and friends of the residents and former residents of Highland Park who have recently died.

Elmer Judson Woodén,
576 Phillips Lane died June 4.

Virginia Durrett,
526 Seneca Avenue died June 4.

Constantino George,
1869 Trevillian Way died June 23.

Lillie Ruth Bryant,
4652 Park Boulevard died June 30.

Mayor's Youth Program

Have you noticed that Highland Park is beginning to look better? Vacant lots have had a trim, the alleys are being swept and cleaned.

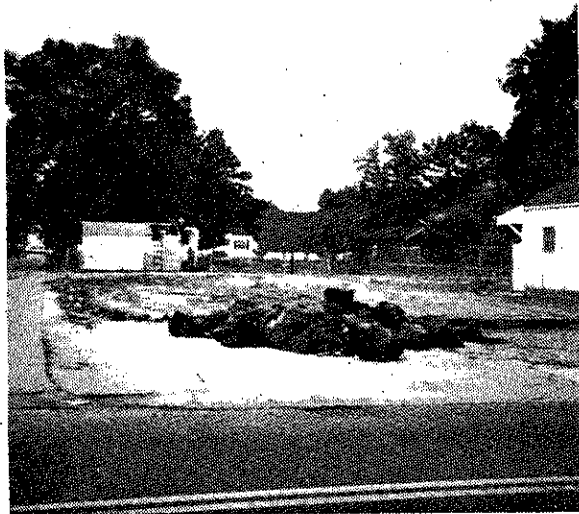

Once again Highland Park is benefiting from the Mayor's Summer Youth Employment Program. Jim Price is once again the supervisor for the youth workers. His crew consists of eight members, both boys and girls.

Since June 29, when the program began in Highland Park, a change is already noticeable. Five foot tall grass has been cut on a lot on Hiawatha Avenue, it is looking a lot cleaner under the Watterson Expressway and several alleys have received a face lift.

By the end of the summer, Highland Park will look a lot nicer. The workers are not allowed to work on private property, but all the work they are doing may give homeowners the incentive to clean up their own lots.

Change

Due to budget cuts by the City of Louisville, the Highland Park Information Center has lost a member of its staff. Effective July 1, Chad Miller, the Community Organizer is no longer working at the office.

Pat Randolph, who had held the position of Economic Developer, has become the Community Organizer. We also will be funded for a part-time clerical position.

Chad has been working in Highland Park since April, 1982. Much thanks are extended for the work he did. We wish him much success in his future endeavors.
